Note: Plants enumerated in this list are free from injurious insect pests and are guaranteed to pass inspection anywhere. We are prepared and situated particularly well to handle car load shipments. We make no charge for packing car lot shipments. Less than car lots packed at cost. We do not ship 1 gallon or 5 gallon plants by rail except in car lots. Free delivery by truck to all points within thirty miles. To more distant points we make a charge of \$1.75 per hour after the first two hours. If you do not find what you want in this list, write us. We have new stock coming to salable size throughout the growing season. When an inspection fee is charged by inspectors of other states at the destination of interstate shipments, the expense is to be paid by the buyer.
